UC San Diego Science Project

UC San Diego

CLIMATE CHAMPIONS DESIGN SUMMIT 2027

AUDIENCE: GRADE 3-12 TEACHERS AND TEACHER LEADERS IN ALL SUBJECTS

At the Climate Champions Design Summit, you will experience a sequence of learning on a local climate-based phenomenon. From exploration of this phenomenon, you will learn how to use the **Understanding Global Change (UGC) framework** with students to construct models and evidence-based explanations in any unit of instruction.

After the summit, we hold office hours to support you as you bring UGC modeling into your classroom.

In accordance with the Americans with Disabilities Act, if you need accommodations to participate, please contact sdsp@ucsd.edu at least 48 hours in advance.

JUNE 15-16, 2027

Tuesday and Wednesday, 8:30 a.m. to 3:30 p.m. in person on the UC San Diego campus in La Jolla

Free to attend, with **lunch both days**, *a* **classroom UGC modeling kit** *(an estimated $400 value), and a* **$300 stipend** *after you try UGC modeling with your students and complete short surveys.*
